

Structures Of Emotion In Social Media

Instructions ▲

General Instructions

- The questions in this job involve reading and understanding of English.
- **Attempt these questions only if you are a native speaker of English.**
- **In your answers, use words as they appear in the given headline.**
- **Avoid using words that are not in the text.**
- **Please COPY and PASTE your answer from the given headline.**

Task:

You will be shown a news headline and asked to answer the following questions :

1. Which emotion is **most dominant** in the given headline?
2. **How intensely** is the emotion expressed?
3. Which **words** helped you in identifying the emotion?
4. a. Is the **experiencer** (or the feeler) of the emotion mentioned?
b. Who is the **experiencer (or the feeler) of the emotion**?
5. Who or what is the emotion directed at? In other words, who or what is the target of the emotion?
6. Select the words that explain what happened that caused the expressed emotion. In other words, what is the cause of the emotion?
7. Which **other emotions** are expressed in the given headline?
8. Which **emotion(s) did you feel** while reading this headline?

Example #1: China is Angry with Trump's Trade Antics

- **most dominant emotion: Anger**
 - **explanation:** there is a clear lexical trigger angry.
- **intensity: medium**
 - **explanation:** the headline expresses the emotion with medium intensity
- **words: Angry**
- **experiencer: China**
 - a. Yes it is.
 - b. China
 - **explanation:**
 - a. The entity who is feeling is explicitly mentioned.
 - b. the government of China is angry about Trump's Trade Antics.
- **target: Trump's Trade Antics**
- **cause: Trump's Trade Antics**
 - **explanation:** the headline explicitly tells why Chinese government is angry with Trump
- **other emotions: No other additional emotions are expressed**
 - **explanation:** the headline expresses only one emotion

Example #2: Russia's Vladimir Putin is happy to see Iran leave Syria.

- **most dominant emotion: Joy**
 - **explanation:** there is a clear lexical trigger happy.
- **intensity: medium**
- **words: happy**
- **experiencer: Vladimir Putin**
 - a. Yes it is an entity explicitly mentioned
 - b. Vladimir Putin
 - **explanation:** it is explicitly stated in the headline that Vladimir Putin is the one who is happy, hence he is the feeler.
- **target: None**
- **cause: Iran leave Syria**
 - **explanation:** the event of Iran leaving Syria makes Vladimir Putin happy.

- **other emotions: No other additional emotions are expressed**
- **which emotion(s) you feel: No, I did not feel any emotion**

Example #3: Death toll reaches 85 in Mexico fuel pipeline fire horror

- **most dominant emotion: Fear**
- **intensity: high**
- **words: horror; Death toll**

- **experiencer:** b. not mentioned
- **cause:** fuel pipeline fire horror
- **other emotions:** No other additional emotions are expressed
- **which emotion(s) you feel:** sadness

Tips

- The given text may not explicitly express emotions. However, often people's emotions towards other people can still be deduced. The goal here is to decide if emotions are conveyed in the given text also when they are not explicitly stated.
- Do not overthink the answer. Let your instinct guide you.
- If you do not know the meaning of a word or a phrase in the headline, please look up the meaning in your favorite dictionary.

7. Which other emotions are expressed in the given headline? (required)

- ☐ Joy
☐ Positive Anticipation (including Optimism)
☐ Trust
☐ Positive Surprise
☐ Love (including Like)

- ☐ Pride
- ☐ Fear
- ☐ Anger
- ☐ Sadness
- ☐ Disgust
- ☐ Negative Surprise
- ☐ Negative Anticipation (including Pessimism)
- ☐ Guilt
- ☐ Shame
- ☐ Annoyance
- ☐ No other additional emotions are expressed

Select all that apply.

8. Which emotions did you feel while reading this headline? (required)

- ☐ Joy
- ☐ Positive Anticipation (including Optimism)
- ☐ Trust
- ☐ Positive Surprise
- ☐ Love (including Like)
- ☐ Pride
- ☐ Fear
- ☐ Anger
- ☐ Sadness
- ☐ Disgust
- ☐ Negative Surprise
- ☐ Negative Anticipation (including Pessimism)
- ☐ Guilt
- ☐ Shame
- ☐ Annoyance
- ☐ No, I did not feel any emotion

Select all that apply.

Bill Nye says the planet is on fire—but he's still optimistic

1. Which emotion is most dominant in the given headline? (required)

- ☐ Joy
- ☐ Positive Anticipation (including Optimism)
- ☐ Trust
- ☐ Positive Surprise
- ☐ Love (including Like)
- ☐ Pride
- ☐ Fear
- ☐ Anger
- ☐ Sadness
- ☐ Disgust
- ☐ Negative Surprise
- ☐ Negative Anticipation (including Pessimism)
- ☐ Guilt
- ☐ Shame
- ☐ Annoyance

2. How intensely is the emotion expressed? (required)

- ☐ high
- ☐ medium
- ☐ low

3. Which words helped you in identifying the emotion? (required)

Copy and paste from "Bill Nye says the planet is on fire—but he's still optimistic" If there is more than one word and the words are not adjacent, separate the answers with a semicolon.

4. Is the experiencer of the emotion mentioned? (required)

6. Select the words that explain what happened that caused the emotion expressed. In other words, what is the cause of the emotio (required)

None

Copy and paste from "Bill Nye says the planet is on fire—but he's still optimistic" If there is more than one cause, separate the answers with a semicolon. If no cause is given, type None.

7. Which other emotions are expressed in the given headline? (required)

- ☐ Joy
- ☐ Positive Anticipation (including Optimism)
- ☐ Trust
- ☐ Positive Surprise
- ☐ Love (including Like)
- ☐ Pride
- ☐ Fear
- ☐ Anger
- ☐ Sadness
- ☐ Disgust
- ☐ Negative Surprise
- ☐ Negative Anticipation (including Pessimism)
- ☐ Guilt
- ☐ Shame
- ☐ Annoyance
- ☐ No other additional emotions are expressed

Select all that apply.

8. Which emotions did you feel while reading this headline? (required)

- ☐ Joy
- ☐ Positive Anticipation (including Optimism)
- ☐ Trust
- ☐ Positive Surprise
- ☐ Love (including Like)
- ☐ Pride
- ☐ Fear
- ☐ Anger
- ☐ Sadness
- ☐ Disgust
- ☐ Negative Surprise
- ☐ Negative Anticipation (including Pessimism)
- ☐ Guilt
- ☐ Shame
- ☐ Annoyance
- ☐ No, I did not feel any emotion

Select all that apply.

Boeing 737 Max: company unveils new safety fixes

1. Which emotion is most dominant in the given headline? (required)

- ☐ Joy
- ☐ Positive Anticipation (including Optimism)
- ☐ Trust
- ☐ Positive Surprise
- ☐ Love (including Like)
- ☐ Pride
- ☐ Fear
- ☐ Anger
- ☐ Sadness
- ☐ Disgust
- ☐ Negative Surprise
- ☐ Negative Anticipation (including Pessimism)
- ☐ Guilt
- ☐ Shame

☐ Annoyance

2. How intensely is the emotion expressed? (required)

- ☐ high
☐ medium
☐ low

3. Which words helped you in identifying the emotion? (required)

Copy and paste from "Boeing 737 Max: company unveils new safety fixes" If there is more than one word and the words are not adjacent, separate the answers with a semicolon.

4. Is the experienter of the emotion mentioned? (required)

- ☐ Yes, it is the author.
☐ Yes, and it is an entity explicitly mentioned in the text.
☐ No, it is not explicitly mentioned.

5. Who or what is the emotion directed at? In other words, who or what is the target of the emotion? (required)

If the target is not specified, then type: None. Otherwise, copy and paste from "Boeing 737 Max: company unveils new safety fixes". If there is more than one target, separate the answers with a semicolon. e.g.: in "I like you", "you" is the target of "like" and "I" is the experienter of the "like".

6. Select the words that explain what happened that caused the emotion expressed. In other words, what is the cause of the emotion? (required)

Copy and paste from "Boeing 737 Max: company unveils new safety fixes" If there is more than one cause, separate the answers with a semicolon. If no cause is given, type None.

7. Which other emotions are expressed in the given headline? (required)

- ☐ Joy
☐ Positive Anticipation (including Optimism)
☐ Trust
☐ Positive Surprise
☐ Love (including Like)
☐ Pride
☐ Fear
☐ Anger
☐ Sadness
☐ Disgust
☐ Negative Surprise
☐ Negative Anticipation (including Pessimism)
☐ Guilt
☐ Shame
☐ Annoyance
☐ No other additional emotions are expressed

Select all that apply.

8. Which emotions did you feel while reading this headline? (required)

- ☐ Joy
☐ Positive Anticipation (including Optimism)
☐ Trust
☐ Positive Surprise
☐ Love (including Like)
